

## Coming to Western North Carolina!

### Math Perspectives *Assessing Math Concepts* 2-day Course for Classroom Teachers and Teacher Leaders of 2<sup>nd</sup> Grade Mathematics

**Date:** February 22-23, 2012

**Time:** 8:30am to 3:30pm each day (with a lunch break)

**Host:** Buncombe County Schools, Asheville, NC

**Fee:** \$250.00 per participant (Participants will have access to the web-based version of *Assessing Math Concepts*, AMC Anywhere for the remainder of the 2011-2012 school-year for up to 300 2<sup>nd</sup> grade students from their school or district). The fee does not include the cost of the required texts.

**Required Texts:** *Assessing Math Concepts: Hiding Assessment*; *Assessing Math Concepts: Grouping Tens*; *Developing Number Concepts Book 2: Addition and Subtraction*; and *Developing Number Concepts Book 3: Place Value, Multiplication and Division*. (Texts available from Didax, Inc. [www.didax.com](http://www.didax.com))

**What to Bring:** Required texts and laptop/netbook/iPad/notebook computer with Internet capability.

**Registration:** This course is open to 2<sup>nd</sup> grade classroom teachers of mathematics, district math coordinators, math coaches, and teacher-leaders from any school or school district.

**Register by:** February 3, 2012

**COURSE DESCRIPTION:** Second grade is a vital year in the development of foundational math concepts. The *Assessing Math Concepts*, developed by Kathy Richardson, help teachers identify precisely what their students need to learn to be successful in the future. Participants will learn to use assessments from the *Assessing Math Concepts* series that are appropriate for 2<sup>nd</sup> grade to identify the instructional needs of their students. They will also look at how to use the information gained from the assessments to focus their instruction and maximize student learning using the *Developing Number Concepts* series by Kathy Richardson.
